**Description**

Webley Mastiff NEW BULLPUP from Webley. Its a darling... am I allowed to say that? Anyway, it`s light, reasonably quiet, not as elegant as a Wildcat but it is only £525.00. Nice Walnut stock, two magazines, adjustable cheek piece and a nice touch on the rear of the stock. Well it feels good to shoulder, comfortable and affordable. This is a winner from Webley. We have good stocks in both calibres of Mastiffs at the moment. This is a winner!!!!!!!!!!!!!! Oh yes, comes in a cases as well!
